Subject: ALMI GALAXY BUNKER NOMINATION - ALMI GALAXY - Check List #1 **
Good morning all,

Please be advised that since bunkering has not been performed due to unfavorable weather conditions, vessel has to proceed to LOOP for her discharging and come back to lift the bunkers.

According to terminal's latest schedule vessel will be in the bunkering position on Feb 27th am

0500/26 ETB Loop
1100/26 EST Commence cargo ops
0200/27 EST Complete cargo ops
0400/27 EST Sailing Loop

Best Regards,

Dimos Karkantzios

Dear Captain Oleg,

Yours below noted, therefore master will update you with vessel's ETA at rendezvous position.
Almi Galaxy has completed lightering operation, therefore we have to perform bunkering operation soonest
possible in order to proceed to LOOP for discharge operation.

Dear Captain Zoran,

Upon receive of this message and unless instructed to the contrary, please proceed to bunkering
rendezvous position in order to lift bunkers. Kindly co-ordinate with bunker barge for smooth and
efficient operation.

We will inform charterers with regards our late arrival at LOOP. In case weather is unfavorable for
bunkering operation, kindly inform us immediately.

Best Regards,

Dimos Karkantzios

Dear Dimos, good day

Analysis is referring that sample has been drawn from M/T Miss Claudia
for bunker what we will supply to ALMI GALAXY

M/T Miss Claudia is our mother ship to provide bunker, loaded in Houston

Best regards
Oleg Mandur

Dear Oleg,

Please be advised that we are still missing your reply with regards the below.

Furthermore, Almi Galaxy has commenced lightering operation at SW Pass lightering area.

Agw, she is expected to complete lightering on Feb 25th at am, therefore ETA rendezvous position is expected on 25th am. Master will revert with more accurate ETA.

Kindly revert with bunkering prospects basis the above ETA. Furthermore vessel has to tender NOR to LOOP terminal as soon as bunkering operation completes, therefore kindly assist us to have min delays.

Best Regards,

Dimos Karkantzios
